---

### Clinical Experience

---

**December 1983 to December 1993:** ASSOCIATE PSYCHOLOGIST, Behavior Therapy Associates, Psychology Group, Allentown, PA/Phillipsburg, NJ. Provided individual and family therapy to children, adolescents, and adults.

From 1989 to 1993, also provided consultation services, psychodiagnostic, and forensic assessments to community agencies, including Lehigh and Northampton County Offices of Children and Youth for physical and sexual abuse cases.

**January 1987 to January 1988:** CLINICAL/RESEARCH STAFF, Anxiety Disorders Clinic, Department of Psychiatry, Medical College of Pennsylvania/Eastern Pennsylvania Psychiatric Institute (EPPi), Philadelphia, PA. Part-time duties and responsibilities included adjunct research work in the area of Cognitive/Behavioral treatment of anxiety and behavior disorders. Appointment under the direction of Edna B. Foa, Ph.D., Clinical Psychologist.

**September 1981 to May 1986:** STAFF PSYCHOLOGIST, Northampton County Mental Health/Mental Retardation, BSU#482, Bethlehem, PA, Outpatient Psychiatric Clinic. Duties included psychodiagnostic and forensic assessment of mentally and non-mentally retarded children, adolescents, and adults for clinical staff and the Court systems. Integral part of assessments involved criminal offenders and children and adolescents who were physically and sexually abused. Additional duties involved treatment team meetings, consultation, in-service training, and court testimony. Experience supervised by Doctoral Level Licensed Psychologist and Psychiatrist.\*

\*Period between January 1984 and December 1984 consisted of doctoral level internship through Temple University, Philadelphia, PA.

**October 1980 to September 1981:** STAFF PSYCHOLOGIST, Children's Department (Institution) of The Lutheran Home, Topton, PA. Position involved psychological testing and evaluations along with some court testimony and consultation to staff members in developing appropriate treatment plans and therapeutic recommendations for residents. Experience supervised by Clinical Psychologist.

**December 1979 to November 1982:** PSYCHOTHERAPIST, Community Psychological Services Consultants, a private psychological center in Allentown, PA. Post-Master's position involved individual counseling and therapy, treatment of child, adolescent, and adult disorders, psychodiagnostic evaluations, couples and family therapy. Additional duties included general consultation to children and youth agencies and in-service training. Experience supervised by doctoral level Licensed Psychologist.

**October 1979 to October 1980:** STAFF SUPERVISOR, Orientation House, Allentown, PA. A 90-day intensive therapeutic treatment program for adolescent offenders and neglected/dependent youths. Position involved serving as Director of Treatment and participating in the design and implementation of the therapeutic programs. Experience supervised by Licensed Consulting Psychologist.

**Fall 1978 to Fall 1979:** COUNSELOR, (RCA) Weaversville Intensive Treatment Unit, Weaversville, PA. Maximum security unit for adolescent offenders. Part-time position involved general maintenance of Unit program, treatment plans, and individual counseling with residents.

**September 1977 to October 1979:** RESIDENT ADVISOR, Alternative House 1, Bethlehem, PA. Group home for neglected-dependent/delinquent youths. Responsibilities involved maintaining individual and group dynamics of residents and implementing treatment plans. (Facility now owned and operated by KidsPeace, Bethlehem, PA).

---

### **Supervised Internships**

---

**January 1984 to December 1984:** DOCTORAL LEVEL INTERN, Northampton County MH/MR and Institute for Advanced Psychological Training, Bethlehem, PA. Experience included psychodiagnostic assessment for the agency

and the court with criminal/sex offenders. Also provided psychotherapy and group treatment to a wide range psychiatric outpatient population. Also participated in case conferences, treatment team meetings and co-therapy. Experience consisted of 1500 contact hours. Supervised by Chief Clinical Psychologist, Wallace E Crider, Ph.D.

**January 1979 to May 1979:** MASTER'S LEVEL INTERN, Northampton Area School District, Northampton, PA. Primary responsibilities included psychological testing and assessment, individual and group counseling situations. Experience supervised by School Psychologist (Licensed Psychologist).

**January 1977 to May 1977:** UNDERGRADUATE INTERN, Northampton Junior High School, Northampton, PA. Functioned as Assistant to the School Psychologist. Duties involved psychological testing and evaluation, and the use of various assessment techniques. Supervised by School Psychologist.

**September 1976 to December 1976:** UNDERGRADUATE INTERN, Wiley House, Bethlehem, PA. Residential Treatment and Education Center. Worked with children ages 7 to 15 who were diagnosed as either socially and/or emotionally disturbed or, neurologically impaired. (Facility now owned and operated by KidsPeace).

**Fall 1973 to Spring 1976:** CHILD CARE AIDE, DeSales Child Development, Center Valley, PA. Part-time position involved working with children ages 4 to 7 who were diagnosed as mentally retarded or neurologically impaired. Experience supervised by Center's Licensed Psychologist.

---

### **Volunteer Work**

---

**Fall 1978 to Spring 1979:** THERAPIST (part-time), Allentown State hospital, Allentown, PA. Work involved art therapy with chronic schizophrenic patients. Experience supervised by Staff Clinical Psychologist and Psychiatrist.

**September 1977 to April 1978:** THRESHOLDS COUNSELOR (part-time), Lehigh County Prison, Allentown, PA. Functioned as an instructor of the Thresholds Decision-Making Program with prison inmates.

**January 1980 - Present:** Offer humanitarian aid in the form of lectures and professional literature, computer equipment and other aid to needy countries in third world nations.

---
